

Coding/Forensic Science Instructor

JOB SUMMARY:

Two (2) half-time instructor positions needed at Playmates Preschool & Child Development Centers, Inc. to supervise and instruct P-12 students participating in the agency's Coding and Forensic Science programs. This is a part-time, hourly, non-exempt position and is immediately available. Instructors must be enthusiastic and knowledgeable about ways to support learning through guided activities. The ability to provide rich, mission-aligned content and creative pedagogy, to establish authentic relationships, to work collaboratively with colleagues both within and outside the agency, and to place children's interests and experiences at the heart of the classroom are essential components of the job. Salary commensurate with experience and education. Please apply on line at www.playmateschildcare.com or mail completed application to Roger Barker, 3603 Piedmont Rd., Huntington, WV. For more information, call 304-429-4934 or email rbarkerplaymates@aol.com.
