January 3, 2022

Welcome to the Wayne County Board of Education Universal Pre-K program. Children must be 4 years of age **prior** to July 1, 2022 to be eligible for preschool. Attached you will find an application form. To reserve a space in one of our classrooms you must complete the preschool application form in its entirety. If the application is missing information, it may be returned to you to complete the necessary information. If you were enrolled in a preschool program during the previous school year, a new form must be completed each year in order to reserve your space for the upcoming school year.

In addition to submitting the application, other documents are required for enrollment into the preschool program. These items should be submitted with the application or no later than July 1, 2022. The documents are:

- **Certificate of Live Birth** - The certificate of live birth is used to prove that your child meets the age requirement to attend the preschool program. These must be ordered from each state's Office of Vital Statistics and is usually located in that state's capital city. We cannot accept county birth certificates. Order forms may be requested by either contacting the nearest preschool location or by contacting the Pre-K Coordinator using the information provided below.
- **Social Security Card**
- **Immunization Record** - Must be on file prior to first day of school
- **Recent Well Child Visit** - The visit should have occurred between August 2021 and August 2022. This exam must be completed by a physician. Health check forms can be used as proof of the well visit.
- **Recent Dental Visit** - documentation that your child has received a dental exam between August 2021 and August 2022. This exam must be completed by a dentist.

If you should have any questions, please feel free to contact me by phone at 304-272-5116 extension 340 or by e-mail at jcox@k12.wv.us. Applications and required documents can be dropped off at any preschool classroom location, elementary school, or mailed to my attention.

Thank you for your interest in our universal preschool program. I am looking forward to working with you in the upcoming school year.
