## Field Trip and Transportation Policies

**Families:** Please discuss with your child or children the importance of field trip and transportation rules. For many years, we have had a reputation for having very well-behaved children when out in the community. We feel that with our teachers and families working together, we will continue to have safe, fun, and wonderful trips. Thank you for being an involved family.

- Children must remain seated on vehicle and wear seatbelts (when applicable) anytime vehicle is moving
- No open food or drinks are allowed in transportation vehicles
- Always use our best manners in vehicles and the places we visit
- Please make a plan with child to help them keep their items from being lost. For example, stick socks inside shoes, or keep their stuff in their bag at all times unless they are using it.

I have reviewed the above with my child(ren).
